

# SWITCH NOW!!!

Changing banks is easier than you think.

**First State Bank** wants to help make the process organized and help you accomplish your goal. By following the four steps below you can successfully “**SWITCH NOW**”:

## 1. Open an account.

The pages titled **To open a Personal Account/Business Account** are provided to know what forms of ID are acceptable. Get a head start by printing, completing, and then bring in the **New Account Customer Application** form. (Bring a completed form for each owner and authorized signer on the account.).

## 2. Direct Deposits.

Use the **Direct Deposit Account Change Request** to send to an employer or company to inform them that you have changed banks for your direct deposits or payroll deductions.

*(For Social Security, SSI, VA or other government related deposits, we can help in getting those switched to your new FSB account at account opening.)*

## 3. Automatic Payments.

Use the convenient **Change Automatic Payment Account Request** form to send to each company authorized to make electronic withdrawals from your former bank account. A checklist of some possible automatic payments could be:

- Cable or Satellite TV
- Cell Phone or Home Phone Service
- Credit Cards
- Insurance: Car, Home, Life, or Medical
- Internet Provider
- Loans: Auto, Student, Personal or Mortgages or Rent
- Utilities: Electric, Gas, or Water

## 4. Discontinue using your former account.

When you are sure that outstanding items on your former bank account have cleared and the account has been reconciled, you can print and complete the **Account Closing Notification** form to give to your former bank
